English Language Arts policies and procedures

FOOD & DRINK POLICY

In general, food and drinks are allowed in my class. This is contingent on it **not** becoming a distraction in class, and as long as students can handle the responsibility. **This policy is subject to change at my discretion, and at any time.**

ASSIGNMENT FORMATTING

All typed assignments must be in **12 PT simple font**, double-spaced, and have 1" margins with your name, class period, and date in the top left corner with a centered title.

Handwritten assignments must be legible – tidy, in pen or pencil dark enough to be clearly visible, and with the name and date clearly marked.

HOMEWORK POLICY

Students will begin EACH day's class with 5 – 10 mins of silent, individual reading. Bring your own materials (school appropriate) or read one of Ms. Carrey's classroom magazines.

Most work will be able to be completed in class **if** students use their time wisely. The exception to this would be typed essays. Some work may need to be done outside of classes to finish writing and/or typing final paper.

If students do not complete work during class, in the time allotted, it will be assigned as homework so students can adhere to the determined deadlines.

ABSENCES AND GRADES

Weekly and daily work will be updated weekly on Google Classroom and the class webpage.

If you are absent, **you are responsible** for completing your make-up work. You can only do missed work without a application to resubmit IF the absence was excused by a parent/guardian.

It is your responsibility to ask a classmate, an EA or me for help on making up assignments, and/or to meet with Mrs. Carrey to make up any tests, quizzes or papers. Test/quiz retakes happen OUTSIDE of class.

If you know you are going to be absent beforehand, you should ask me for your make-up work before the absence. This can be done before or after school or via e-mail. It's best to check the teacher page and Google Classroom.

We are using Standards Based Grading. Grade 8 and 9 student get a descriptive, criteria based assessment and evaluation. Grade 10, 11 and/or 12 students will only get a percentage grade at the end of the course.

ELECTRONIC DEVICES

Electronic devices should be kept powered down in students backpacks/put away. **Devices should not be out during class**, unless otherwise instructed by the teacher or with permission. Students may charge their devices at the charging station on the teacher's desk.

First offense: Student will turn the phone into the teacher until the end of class. When possible, phone will be put on charger.

Second offense: Removal of phone and contact home.

Further offences: Meeting with principal and related consequences.
